

From **June 1 through July 31**, we challenge you to read 150 books with your child! Color in a circle every time you and your child sit down to read together.

Visit the Library before July 31 to receive a ticket towards the grand prize drawing of your choice for every 25 books logged. The more you read, the better your chances to win! Earn prizes and three extra tickets at 50, 100, and a real medal at 150 books read!

Don't forget to stop by the Library in June and July for a free book!
